Future tasks

User friendly quota limits

By selecting units (MB, GB...)

Quota exceeded message

Currently raw Java exception is shown on Share interface

Quota usage report

For Alfresco Administrators

Lessons learnt

Alfresco SDK 2.0

2.0.0 is a final release and it works pretty fine

Alfresco CE 5.0.d

Supports (also) classic customization methods

(almost) anything goes

What was working in past releases it's still working now
